General guidlines

Cashino 3.0 Rulebook

Price: 1 unit = 1 token

In every game the bold lines state the winning/losing criteria with their multiplier.

If there is UFM in any game the player loses his pledged tokens.

If there is any mistake from the house side the player receives back his token.

All the players will receive 150 tokens each to start with.

NOTE:Once tokens used are non-refundable for each and every game.
